- Ultra Lightweight design with tangle free flat cable

Overview

The V7 In-Ear Stereo Earbuds with Inline Mic provides comfort and high-fidelity sound quality with soft-bass, ideal for use with iPads, iPhones, Mp3 Players and any electronic device that supports a 3.5mm audio jack. Stylish ear cup design has dual speaker opening for immersive music experience and custom fit for your ear. The inline mic is great for phone calls, and there is a built-in play/pause, call answer/call end control button so you can use the phone and listen to music without missing a beat. Ultra light and flat cable makes it organized and easy to carry it around with you wherever you go or keep.
